P.E

For PE today, we would like you to take part in Cosmic Kids Yoga on YouTube -

<https://youtu.be/9vLpwN-DGw> 'the twits a cosmic kids yoga adventure'

Before Christmas we had a great opportunity in school to take part in yoga lessons with our lovely yoga teacher Aoife. See if you recognise any of the poses in the video. Have you learnt any new poses?

Irish

An Aimsir - The weather

Grianmhar - sunny

Gaofar - windy

Scamallach - cloudy

Ag cur báistí - raining

Ag cur sneachta - snowing

Look at the picture attached. Draw the correct weather into each box. If you do not have a printer, draw your own pictures of the weather and write the Irish sentence - "Inniu tá sé..."

Science

Design your own parachute!

Look at the instructions attached to design and create your own parachute. We would love to see pictures of your parachutes!

S.P.H.E

What is important to me? Think about the things that are important to you - being happy, learning new things, being responsible etc. Look at the document attached and fill in things that are important to you and order them, 1 being the most important to you and so on. Ask someone at home to list things important to them and compare

Art

Look at the YouTube video <https://youtu.be/kjNiPvpD3gI> 'How to draw a lighthouse - art for kids hub'

Learn how to draw your own lighthouse. Think about the colours you are going to choose to colour it in. We would love to see some pictures of your finished drawing!
