

# What Is Important to Me?

Our values can influence the decisions we make. Describe what is important to you by writing a number 1 beside what is most important to you, a number 2 beside the next, and so on. Compare your choices with someone else in your class.

## It is important to me to...

...do my best at school;

...be honest and trustworthy;

...be famous;

...have a few close friends;

...be happy;

...have the newest things;

...help and look after others;

...be healthy;

...be independent;

...have an exciting time;

...be popular in school;

...listen to and respect my family;

...be responsible;

...do the right thing;

...follow the rules;

...celebrate my religion.

Our values can influence the decisions we make. Write down things that are important to you. Then write down things that are important to someone else in your class. Compare the lists.
