# A world outside my window

When I have absolutely nothing to do,  
I stare out the window and picture this view.  
Green fields full of flowers,  
Birds singing up high,  
In a tree on a hilltop under a sunset sky.  
Clouds fluffy like candyfloss dance by as I stare,  
All of this outside my window,  
Who knew this was there?!

## Limerick

There once was a man named Joe  
Whos sat down on a quirky crow  
The crow squaked at Joe  
And said, "go home bro!"  
In the end Joe had nowhere to go

## I Wish

I wish I could drive

I wish I could find a cure for cancer

I wish school was back

I wish I could play out with my friends

I wish I could go on holiday

I wish Covid never existed

I wish I become a professional footballer

## I Wish

I wish my mam didn't have to work  
I wish that the vaccine will work  
I wish that things will go back to normal  
I wish to have a sleepover soon  
I wish that all the front line staff get the Jab soon  
I wish that my teachers are keeping safe  
I wish that I could go to the shops with my friends  
I really, really wish to see my nanny and grandad again

# BLUE

Blue smells like the salty blue beach water  
Blue tastes like the delicious fruity blueberries in my  
fruit bowl

Blue looks like the title of my colour poem  
Blue looks like the rug on my sitting room floor  
Blue feels like a cool breeze running down my body  
Blue makes me feel very happy

# Blue

Blue is the icy blue ocean and the summers blue sky

Blue sounds like the scratches of the blue crayon

Blue smells like an outstanding smell of the bright blue flowers

Blue feels like the humongous blue whale

Blue feels cold & icy like the snow on Christmas day

Blue tastes like the juicy, freshly made blueberries

Blue is flying solo

Blue is the Atlantic ocean

# The beach

I see the waves crashing on the shore  
I feel the wind blowing gently on my face I  
taste the salty sea water  
I hear the seagulls screeching above me  
I smell the thick layer of sunscreen on me

# Limerick

There once was a thing called lockdown  
When all the people wee mad sound  
Now we're locked in the house  
As quiet as a mouse  
I can't wait for the chance to be beach  
bound

## Autobiographical

Hi my name is Carly  
I like sports  
Some people call me Bob Marley  
I play sports in shorts

I'm very tall  
Very strong  
Built like a wall  
I'm like King Kong

I don't like school  
Because it's boring  
I'm too cool  
You're better off snoring

HAPPY

## I Wish

I wish I could swim  
I wish I was taller  
I wish it was my birthday  
I wish I could go to Spain  
I wish I was older  
I wish I had a car  
I wish I had two dogs  
I wish I could fly
