PE (Do on Monday)

Try PE with Joe Wicks on this link:

<https://www.youtube.com/watch?v=Qgo6cIM1QmM>

Irish

Write 5 sentences in your copy about yourself in Irish.

Put Chuaigh mé (I went), Rachaidh mé (I will go) Fuair mé (I got), rinne me (I did) thug mé (I gave) D'ith mé (I ate) into sentences,

SESE Geography (Do on Wednesday)

You will be creating your very own project! You can come up with your own or choose from any topics below:

- A country
- Famous Scientist/mathematician/sports star/musician
- The Famine
- The 1916 rising

Think of your research questions. If you choose to do your project on a famous sports star, think of questions like "where are they from", "who or what were their early influences", "what led them to become famous", "who do they play for", "what does the future hold for them" etc. So, your task for today (Wednesday) is to write your research questions down and use the website: <https://www.worldbookonline.com/kids/home> to find loads of information on your topic. If you want to use Google, make sure to ask whoever is minding you to supervise.

I would love to see pictures of your project when they are finished so ask your parent or guardian to send a picture of it in an email!
